

UKRAINE-EU R&I COOPERATION WEBINAR ON HORIZON 2020

ERC Grants – Work Programme 2019

August 28th, 2018

10:30 – 11:45 AM CET / 11:30 – 12:45 Ukraine Time

In line with RI-LINKS2UA objectives to further encourage and facilitate cooperation between research actors from the EU and Ukraine and to promote EU-Ukrainian participation in joint projects in Horizon 2020, we are pleased to announce the [fourth RI-LINKS2UA webinar on Horizon 2020](#) addressing future Ukrainian participants in EU funded S&T projects.

All RI-LINKS2UA webinars are free of charge, easily accessible and open to any Ukrainian STI actor interested in cooperation with EU counterparts. Webinars will be performed **in English language only**.

Our fourth webinar will take place on [August 28, 2018](#) between 10:30 and 11:45 AM CET (11:30 – 12:45 Ukraine Time).

It will address **Ukrainian STI actors who are strongly interested in [expanding their cooperation with European partners](#) under the umbrella of Horizon 2020** and provides firsthand information about the [ERC Grants and the new Work Programme 2019](#).

[Agenda](#)
